

Los Alamos County 2016 Community Wildfire Protection Plan Update

PUBLIC MEETING

Wednesday April 20th, 2016
5:00-6:30pm
Los Alamos County Municipal
Building, 1000 Central Ave.
Room 110
Los Alamos, NM

What:

Join members of the public, County officials, and local stakeholders in the 1st public meeting to discuss the 2016 update to the 2009 Los Alamos County Community Wildfire Protection Plan (CWPP) and learn about progress made since 2009 to reduce wildfire risk in your community.

Purpose:

Your input is needed! Involving residents and other local stakeholders is a key component of the CWPP update process. The CWPP core team needs your input on:

- What areas, neighborhoods, or projects should the County prioritize?
- What progress have you, your neighbors, adjacent landowners and/or the county taken since 2009 to address wildfire risk?
- What should be included in the 2016 CWPP update?
